GOAL 6702

PERCE \$32,155

**CHEST CAMPAIGN GETS UNDERWAY . . .** Community Chest solicitors in commerce and industry hope to raise \$6,702 in Torrance and \$32,155 in Harbor area this year, it was announced last week at commerce and industry kickoff rally in San Pedro. Chest leaders from Torrance pictured are John Ebbinghouse, commerce and industry chairman for the city, and Dick Pyle, Harbor area commerce and industry vice-chairman.

**3 Local Men Enrolled at Redlands U.**

Three new students from Torrance enrolled at the University of Redlands this fall. They are Thomas Lee Cavanaugh, son of Mr. and Mrs. Robert L. Beck, 1319 Cranbrook Ave.; Ken Nakauchi, son of Mrs. Elma Nakauchi, 20425 Hawthorne Ave.; and Willard Hugh Wicker, son of Mr. and Mrs. Willard Wicker, 1723 Andrew Ave.

The three students from Torrance are part of one of the largest groups in the history of the University with enrollment expected to set a five-year record. Dormitories are filled to capacity and enrollment restricted to outstanding students for the past 12 months.

Cavanaugh and Wicker graduated from Torrance High School and Nakauchi graduated from Redondo High School. All three were active in student activities.

**Colorado Picnic Set**

Former residents of Colorado are invited to attend the all-day picnic of the Colorado Columbine Club to be held on Oct. 9 at Sycamore Grove Park in Los Angeles. A program will start at 2 p.m., including specialties for children.

**Chest Seeking 716 Volunteers**

Phillip Lisman, Torrance Community Chest campaign chairman, yesterday called for 716 volunteers in Torrance to join in the Chest's crusade of "preventative financing." Volunteers from Torrance will form part of the 88,000 Red Feather workers called for recently by W. Herbert Allen, campaign chairman for all Los Angeles.

"Torrance raised 85.72 per cent of its Chest goal last year, and we're going to make it 100 per cent or higher this year," Lisman said. "Money speaks louder than words—but so do deeds. Community Chest dollars are there because of Community Chest volunteers."

**Workers Needed**

Leadership recruitment in Torrance is 100 per cent to date, according to Lisman, but some chairmen and committeemen are still needed, as well as large numbers of business and residential volunteer workers.

Lisman endorsed Allen's recent statement that this number of fund-raisers is needed to help stem the rising tide of public and private expense for health, welfare and recreation services.

"It may sound illogical that we must raise money to keep from spending so much money," said Allen, who is chairman of the board, Title Insurance & Trust Co.

"But reliable estimates are that this year our city, county, state, federal, and voluntarily contributed funds for health, welfare, and recreation services in Los Angeles County will reach one-third of a billion dollars.

**Prevention Sought**

"The comparatively few dollars the Chest seeks are directed largely to preventative services which tend to cut down this tremendous expenditure," Allen said.

**CHILD FILM SET TODAY**

"Preface to a Life," a film on child training which shows the effects of good and bad upbringing on a child's life, will be shown at the Torrance Expectant Mothers' class, at 1 p.m., today, according to Dr. B. A. Kogan, district health officer.

"Home, Safe Home," a film showing the common hazards about the home and gives suggestions for improving safety in the home, has also been booked for the same day.

Prospective mothers are invited to the class.

**SHOE PRODUCTION**

More than two million pairs of shoes are made each day in the 1,200 shoe factories of the United States.

**DAV Meeting Set at YWCA**

Torrance and Inglewood have been elected for meetings of the 7th District Staff of the Disabled American Veterans during the coming month.

C. C. Crowell, deputy chief-of-staff, 7th District, DAV, informed Inglewood Chapter No. 30, DAV, that the district staff will meet at 8 p.m., tomorrow, at the YMCA, 2080 Washington St., Torrance.

Centinela Park, Inglewood, will be the locale for a 7th District picnic on Oct. 9, Crowell added.

These events will start the 7th District's current emphasis on chapter membership for the many eligible disabled veterans in the areas of the chapters.

"Membership is limited to veterans disabled in line-of-duty while serving in the armed forces of the United States during a time of official wars of our country and who were discharged otherwise than dishonorably," he quoted from the DAV Constitution.

**VOICE DIFFERENCE**

Women usually have higher pitched voices than men because their vocal chords are shorter in length.
